REHABILITATION & NURSING CENTER

# Queens Nassau

REHABILITATION & NURSING CENTER

Welcome to Queens Nassau, a premier 200 bed facility providing 24 hour comprehensive care to adults of all ages. Queens Nassau has assumed a leadership role in the provision of comprehensive rehabilitative health care, offering individuals the opportunity to develop skills essential to restoring their independence. Our services extend to both the geriatric adult who may require 24 hour skilled nursing care, as well as to the younger adult who is in need of cognitive and rehabilitation programs.

Queens Nassau's philosophy stresses quality of life for every resident. A warm caring staff truly makes Queens Nassau a "home away from home."

Families and prospective residents are encouraged to visit our facility and to review the services provided. Please call our Admissions Office Monday thru Friday, 9:00 am to 5:00 pm, to schedule your visit.
